The Trademarks Office will issue an official filing receipt detailing the mark, application number, filing date, specification of goods/services. We will send you a copy of this as an email attachment.

Initiating an application for registration of a trademark involves us laying out fees on your behalf to governmental and intergovernmental bodies. We will make a refund of your payment if we receive your cancellation before we have committed ourselves to payment of the official fees on your behalf. If you wish to cancel your order after we have made the payment, you will not receive a refund, however we will terminate further procedure and you will incur no further costs.
